Dear Sir:-

Just before I left Philadelphia, I mailed you a manuscript. "Biblical Classification of alcohol." Are you going to use it? I would like an answer by return mail because if you are not using it to "Scientific Temperance Journal" will use it.

in their next issue which is about ready for publication

Kindly send a reply so that I may get it by Thursday evening.

Dear Dr. Zwemer:

I have just sent your article to the office to be printed. I hope we may do so. Our work is of necessity slow. I get at least three times the manuscripts that it is possible to print so writers sometimes get impatient. Please let us have this one. It will come out shortly. If you insist write Miss McKinney, 1217 Market Street, and she will send it to you.

Cordially yours,

W. Courtland Robinson.

Dear Dr. Zwemer:

I do not know how it came that the words "Princeton, N.J." were printed in your article. I am up in the country and do not see the proof.

Cordially yours,

W. Courtland Robinson.

Dear Dr. Robinson:

I was glad to see that you published my article in the current issue of "The Presbyterian"but was surprised at the reference in the manuscript of the meeting of the Calvary Baptist Church "Princeton, N.J." This was not in the original copy I sent you and the reference should have applied to New York City and not Princeton. However, I did not have any mention of a place.

Sincerely yours,

S M Zwemer
